

Transform Your Child into a Confident Thinker and Writer this Easter Break

A premium, intensive 11+ Creative Writing Boot Camp this Easter Break 2026 designed to give your child the skills, confidence, and exam technique to truly stand out.

Does Any of This Sound Familiar?

Many bright children freeze when faced with creative writing in an exam setting. The pressure is real and without the right tools, it shows.

Struggles with Story Structure

Children brim with ideas, but they struggle with shaping them into a compelling, well-organised story.

Limited Vocabulary

Repetitive, basic word choices that fail to impress examiners looking for flair and precision.

Low Exam Confidence

Timed conditions cause anxiety, leading to rushed, underdeveloped responses that don't reflect their true ability.

INTRODUCING THE BOOT CAMP

Two-Day Intensive Course for 11+ Success

Expert-led, structured, and results-focused this boot camp gives children the precise techniques examiners reward, in a supportive and energising environment.

Easter 2026

Perfectly timed to prepare before the exam season intensifies.

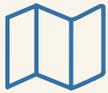

Focused Group Learning

Structured sessions designed for active participation and guided feedback.

Expert Tutors

Specialist 11+ writing coaches with a proven track record.

What Your Child Will Master

Story Planning

Frameworks to structure compelling narratives quickly and confidently under timed conditions.

Vocabulary Upgrade

A curated bank of vivid, precise words that elevate any piece of writing immediately.

Show, Don't Tell

The technique that separates good writing from exceptional writing mastered through practice.

Strong Openings & Endings

Hook the examiner from line one and leave a lasting impression with a powerful close.

Two Days. Transformative Results.

Day 1 — Foundations

→ Story Planning

Mind-mapping, plot structure, and character building.

→ Core Techniques

Sensory detail, varied sentences, show vs tell.

→ Guided Writing

Live practice with real-time tutor support.

→ Editing Skills

How to review and refine their own work effectively.

Day 2 — Exam Mastery

→ Exam Formats

Understanding exactly what different 11+ boards expect.

→ Advanced Techniques

Metaphor, atmosphere, perspective shifts and more.

→ Timed Writing

Authentic exam simulation with structured feedback.

→ Final Polish

Consolidating skills and building lasting confidence.

HOW IT WORKS

Simple, Structured, Seamless

Everything is designed to make the experience effortless for parents and enriching for children.

01

Google Classroom Access

All materials, recordings, and resources in one organised place.

02

Worksheets Provided

Professionally crafted worksheets just print and you're ready.

03

Live Sessions

Interactive, tutor-led lessons with real engagement and energy.

04

Homework Submission

Practice writing submitted directly via the classroom platform.

05

Personalised Feedback

Detailed, individual comments on every piece of written work.

BEFORE YOU BEGIN

Getting Started Is Easy

A few quick steps ensure your child hits the ground running from Day 1.

1

Gmail Account

Ensure your child has an active Gmail account ready to use.

2

Join the Classroom

Use the enrolment link to join our Google Classroom before the first session.

3

Complete the Pre-Task

A short writing warm-up so tutors can tailor feedback from the start.

4

Print Your Worksheets

Download and print the pack from Google Classroom and you're all set.

Before the Boot Camp vs. After

"Our children leave not just as better writers but as more confident, resilient learners who believe in their own voice."

The transformation happens quickly because the programme is built around **targeted practice, expert input, and immediate feedback** the three pillars of real progress.

Why This Bootcamp Works

Give your child the skills, techniques, and confidence to succeed in 11+ creative writing.
