11+ SEPTEMBER CRASH COURSE

The Exams Are in September.

June intake started

The last few weeks before the 11+ exam can make all the difference.

Our September Crash Course is designed to help students strengthen key topics, close knowledge gaps, and build exam confidence through focused revision, targeted practice, and timed mock tests.

WHY PARENTS CHOOSE THE CRASH COURSE

Every Board Covered

English & Maths revision aligned to the GL, CEM, CSSE, FSCE & Independent exam boards.

The Right Last Push

Smart, intensive revision of the high-mark topics — not slow first-time teaching.

Wholesome Preparation

Dedicated sessions in Logical Reasoning (VR & NVR) or Creative Writing, chosen by board.

Proof of Progress

Practice workbooks, weekly mock tests & a written parent report after every mock.
